

Tableau – Performance Test

Date	30 July 2026
Student Name	R. Nagarjuna Raju
Project Name	Intergalactic Space Travel Request (ISTR) System
Maximum Marks	—

Applicability Note

The Intergalactic Space Travel Request (ISTR) project is built entirely on the ServiceNow platform as a scoped workflow automation application. It does not incorporate Tableau for data visualization or dashboarding. This template is therefore marked Not Applicable (N/A) for this project, rather than filled with figures that would misrepresent the system that was actually built.
